

J. E. Keelyn Forces Were Defeated

(Special to the Bonanza.)

GOLDFIELD, Jan. 19.—According to advices received today from Phoenix, Arizona, where the delayed annual meeting of the Little Florence Mining company was held, the forces of James E. Keelyn were routed.

A message from Aldrich and Horton and G. L. Harris, said: "We have been victorious. Put three shifts to work on Little Florence lease on the Fraction and continue operations."

Mr. Keelyn wired: "Aldrich crowd voted 597,000 shares. I remained out of meeting. The directors are Aldrich, Horton, Shipman, Harris, McRoberts, Vickers and Wooten. Their actions protested. Think they can be defeated by legal action."

NO LEGISLATION TO BE ENACTED AGAINST JAPS

(By Associated Press)

SACRAMENTO, Jan. 19.—According to a statement made tonight by Governor Gillett there will be no legislation against the Japanese at this session of the legislature. Governor Gillett, in a statement, said he was convinced that no legislation directed against the Japanese would be enacted, and that he was satisfied the people of California appreciated the efforts made by the federal government and representatives of Japan. "These agitators have themselves to thank if trouble comes from what they do, if there is any rush or influx of Japanese hither."

RECEIVES NEWS BY WIRE OF BROTHER'S DEATH

Fred L. Flack, managing editor of the Tonopah Daily Bonanza, received by wire yesterday the sad information of the death of his brother, Charles C. Flack, of Jefferson, Iowa, death occurring at noon. The deceased was thirty-two years of age and had been an invalid for the past five years. He resigned from the agency of the United States Express company at Jefferson about five years ago, which position he had held for many years. Since then he has traveled a great deal in search of health. He was expected to have joined his brother here shortly, they both being very devoted to one another, but the silent messenger has decided that he cross the Great Divide, from whence there is no returning.

The Bonanza has a complete bindery in operation.

"WE ARE KING" AT PAVILION THIS EVENING

Tonight will be the appearance of the clever romantic actor, Mr. Edmund Carroll at the Pavilion theater. Mr. Carroll will present Mr. Walker Whiteside's greatest comedy success, "We Are King," in which he has made such an emphatic success. The double role of Gustavus Venner and Hector, king of Kahnburg, in this play, affords Mr. Carroll splendid opportunities to display his superior talents. It is not often that the local management cares to unqualifiedly endorse an attraction in advance, but in this instance, it is done, both from personal knowledge and from reports received from managers in other cities. "We Are King" is a splendid comedy drama, and in it Mr. Carroll is a great success.

This will be the first presentation of this play in this city with Mr. Carroll in the dual role, and Manager A. W. Cross has surrounded his star with a splendid company and scenic equipment.

DIAMONDFIELD TO HAVE SHAFT SUNK ON 300 LEVEL

The Diamondfield Florence Mining company will start work on quite an extensive scale very soon, and another one of the properties in the Diamondfield section will be prospected in a miner-like fashion. The company owns three patented claims a quarter of a mile east of the Black Butte, where very little work has been done on the acreage for over a year. The annual meeting of the company was held yesterday, and the report of the secretary showed that the financial condition was good. It was decided to sink the shaft from the 150 to the 300-foot point, for which a plant of machinery has been ordered. The surface showing is good, as assays have gone as high as \$500. At a depth of ninety feet in the shaft six feet of ore that assays \$4 clear across was cut.

The following officers were selected for the ensuing year: John McKane, president; E. A. McNaughton, vice president; A. C. McNaughton, secretary and treasurer. With these officers, who are also directors, were chosen M. J. Sullivan, C. Schoemberger, William Ryan and William Vandervort.

To hear the Schubert Lady Quartette sing their "Old Maid Song" (one of the many especially written for them) will make a rise in the matrimonial market anywhere. This is one of their most fetching encores; and as the ladies are many years removed from being old maids themselves, they can enjoy singing of the trials besetting the four maidens of their song. Their date here is January 28, at the Pavilion theater.

FRACTURED JAW SUCCESSFULLY OPERATED ON

Sherman Crumley, brother of J. Grant Crumley of the Nevada Club, was brought over from Goldfield Sunday night suffering from a fractured jaw. He was taken to the Miners' hospital, where Drs. Hammond and Clark performed a very successful operation. The jaw was fractured in several places and at first his condition was very serious, but last evening he was resting comfortably and his recovery will be only a matter of a short time.

HELENA 'PHONE LINE IS NEARING COMPLETION

The telephone line that is being constructed between this city and Helena has reached a point about eight miles north of this city. The work is being rushed to completion and all the necessary material is on hand. The line should be in operation inside of the next thirty days.

CASE DISMISSED AGAINST MIMS-SUTRO COMPANY

The case of the Hearst Jaggars Gold Mining company vs. Mims Sutro company was dismissed yesterday in the district court upon the motion of the attorney for the defendant on account of the fact of the failure of the plaintiff to appear and prosecute the case. This case has been pending in the court for several years.

Americans like to laugh, and this fact is not overlooked by the Schubert Symphony club. Several numbers on their program, as well as all their encores, are full of fun, and you will be highly entertained by their program at the Pavilion theater on January 28.
